**INFORMATION DISCLOSURE STATEMENT**

Applicants disclose the 11 documents listed on the attached form PTO-1449. Copies of 5 of the 8 disclosed literature documents are enclosed. Also enclosed is a copy of a search report dated March 15, 2005, issued in corresponding International Application PCT/GB2004/004912 and a copy of a search report dated November 5, 2004, issued in corresponding United Kingdom Application GB0327046.9. The two search reports list all of the documents disclosed herein.

Note that to meet the requirement for providing "a concise explanation of the relevance" of all references not in English, one may provide an English-language version of a search report in which the relevance of the cited references is indicated. See the Manual of Patent Examining Procedure, Section 609 A(3). Applicants do not believe that they are required to provide copies of English-language literature documents AM, AO, AR not available to them, which are cited in the UK search report to indicate technological background and/or state of the art.

This statement is also being filed before the receipt of a first Office action on the merits. Please apply any charges to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 10-12-06
